Bible Quizzing is a ministry of Life Impact Ministries/CMA to assist teens to connect with God in a deeper way by Experiencing Him and Expanding His Kingdom.

It accomplishes this by:

- A. Providing teens with an opportunity to be involved in the systematic study and application of God's Word.
- B. Building character, instilling self-discipline, and encouraging prayer and unity.
- C. Equipping young people with the capacity to serve in other areas of ministry.

## **ELIGIBILITY REQUIREMENTS**

### **I. TEAM MEMBERSHIP/ELIGIBILITY REQUIREMENTS**

The following rules are established for all district and international competitions:

- A. All quizzers for district and international competition must be 12 to 18 years of age or still enrolled as a full-time high school student. Any teen who is married will be ineligible to quiz.
- B. All quizzers for district and international competition must be in 7<sup>th</sup>-12<sup>th</sup> grade and be 12 to 18 years of age. They may be older only if still enrolled as a full-time high school student. Any teen who is married will be ineligible to quiz.
- B. Each district may establish eligibility rules for team membership and specify the degree of involvement quizzers must have within a local Alliance church.
- C. A team will be composed of five members: four starting quizzers and one substitute. These five shall constitute the team for district and International Finals. None of the five may be changed during district and International Finals without unanimous approval of all officials and coaches.
- D. Each team must have a coach and may also have an assistant coach. The international coach must be approved by his district office/committee.
- E. In order to quiz at Internationals for a specific district, the quizzer must reside in that district or in a bordering community. Their home church must be from the district in which they quiz. Any exceptions to this must be brought to the International Bible Quizzing Committee.

# **COMPETITION LEVELS**

There are four levels of Bible quiz competition: local or interchurch, zone, district, and International Finals. Each district shall determine eligibility guidelines for all local, zone, and district competitions subject to approval by the district office.

## **I. LOCAL OR INTERCHURCH QUIZZING**

(Within a church or between several churches on an unofficial, challenge basis)

- A. Any number from one to five may constitute a team.
- B. Any number of teams may participate.
- C. Question writing will be the responsibility of the local quizmaster.
- D. If a church is unable to secure enough teens for study and competition within its own group, it may work with a neighboring Alliance church for competition on this level.
- E. Follow all other rules as clearly as possible in order to educate for zone and higher levels of competition.

## **II. ZONE QUIZZING**

- A. The quizmaster and officials will be selected by the Zone Executive Committee.
- B. Question writing will be the responsibility of the zone quizmaster.
- C. The official rules shall be followed explicitly except with the following possibilities for variation:
  1. Local church teams may have fewer than five members.
  2. The number of judges may vary.
- D. Every church within a zone may send a team or teams to a zone quiz. However, if approved by the Zone Executive Committee, two small churches may combine to send one team.
- E. Individual and team scores shall be tallied.

## **III. DISTRICT QUIZZING**

- A. All rules, without exception, must be observed. The district office may grant exemptions for unusual circumstances in regard to district quizzing only.
- B. The quizmaster and officials will be approved by the Disciple Making Ministry director, Disciple Making Ministry committee or District Youth Task Force.
- C. The name and address of the district coordinator must be sent to the Life Impact Ministries Office by October 1 of that quiz year.

## **IV. INTERNATIONAL FINALS**

- C. All arrangements, promotion, and administration will be by the Life Impact Ministries Office.

- D. Notification by each district of its intention to enter a team must be received by the Life Impact Ministries Office, on a form supplied by that office, no later than May 1 of that quiz year.

### **I. SELECTION OF OFFICIALS**

- A. The district quizmaster and officials will be approved by the Disciple Making Ministry director, District Youth Task Force, or the Disciple Making Ministry Committee.
- B. The international quizmaster and officials will be appointed by the International Bible Quizzing Advisory Committee. This committee is appointed by the Life Impact Ministries Executive Director. The Canadian representative will be appointed by the Canadian National Church Education Committee. To be considered for appointment, all quizmasters and officials must:
  - 1. Be a regular church attender.
  - 2. Have three years of district quiz mastering experience and be recommended by their district office or quiz committee.
  - 3. Go through an evaluation process established by the International Bible Quizzing Advisory Committee.

### **II. QUIZMASTER**

  - 1. Be thoroughly acquainted with all rules, procedures, and material of that quiz year.
  - 2. Be impartial and render decisions consistently.
  - 3. See that all officials are briefed regarding rules and procedures.
  - 4. Read at a normal conversation rate. Hesitating or reading too quickly must be avoided since either may cause inaccurate quizzing.
  - 5. Read all questions at the same rate of speed with the ability to stop reading the question at the exact moment a jump is made.
  - 6. Keep the quiz moving at a consistent pace. A quiz should not be rushed, but it is important to maintain the quickest pace which does not interfere with accuracy.
  - 7. Be open to challenge and be willing to evaluate whatever the captains feel is in error.
  - 8. Double-check the questions for accuracy and throw out any questions that are found to be invalid.
  - 9. Facilitate a positive, uplifting environment through out the quiz. Quizmasters should speak clearly and be enthusiastic about quizzing. To this end, quizzers should be called by name, the score should be announced often (when a score-board is not present), and bonuses and quiz-outs should be promptly recognized.

- B. The quizmaster should:
1. Rule immediately upon an obviously correct or incorrect answer if there is no indication from the answer judge to the contrary.
  2. During the 30-second answering period use the following prompts:
    - a. If a quizzer has provided all the information in the answer, except the clarification of a pronoun present which is part of the answer, the quizmaster will say, "Can you clarify?" or "Can you be more specific?" A pronoun needs to be clarified only if the clarification (antecedent) is in context.
    - b. On a Chapter-Verse Reference Question (CVR) or Chapter-Only Reference Question (CR), if the quizzer has given all the information in the question and the answer and the complete question was not read, the quizmaster will ask, "What is your question?"
    - c. On a Finish-The-Verse (FTV), Quote, or Finish This (FT) type question, once the quizzer has quoted to the end of the required verse, if the quote is not yet correct, the quizmaster will say, "Again." This will occur as often as needed until the quizzer quotes the verse perfectly or the 30 second time limit expires.
    - d. If a quizzer answers the question correctly, but is missing information found in the question, the quizmaster may ask the quizzer, "More."
    - e. On a Situation (SIT) type question, when the quizzer has completed the quotation required for the question the quizmaster will say, "Quote is complete."
  3. Consult with the answer judges at any time he feels necessary, provided it does not infringe upon the 30 seconds allotted the quizzer.

**There shall be one or two Quote Questions in each quiz.**

### D. Reference Questions – used to distinguish similar words from different passages.

2. Reference Questions may refer to chapter and verse or chapter only.
3. The quizmaster shall specify whether chapter and verse (CVR) or chapter only (CR) are required.
4. Chapter-Only and Chapter-Verse Reference Questions: A question is required if a jump is made prior to the complete reading of the question. The question given must be a similar question to the one on the card and fulfill the requirements of the question and answer on the card. The quizzer must stay within the context on a chapter-only reference question and may not change to another verse on a chapter-verse reference question.
5. They may be selected from any of these types:
  - a. Chapter Reference: similar material appearing only once in a chapter.
  - b. Chapter and Verse Reference: similar material appearing more than once in a chapter.
  - c. Multiple-Answer Reference.

**There shall be no less than three and no more than five Reference Questions per quiz.**

### E. Multiple-Answer Questions (MA)

1. Must have more than one answer to the interrogative.
2. The clarification of a single answer is not a multiple answer question.
3. Multiple-Answer Questions must be worded exactly as they appear in the text and must contain a completed key word or phrase in the first five words.

**There shall no less than two and no more than seven Multiple Answer (MA) Questions in a quiz (MA Questions may also be Reference Questions.)**

## F. Situation Questions

1. Used only when narrative material is available (Four Gospels and Acts).
2. Must be a direct quote from Scripture by a person or an entity.
3. The quotation required by the question writer must be reasonable in length, not exceeding two consecutive verses. The quizzer is not required to repeat the quotation word-perfect but must be substantially close without leaving out key components of the quotation.
4. Ask for who said it, to whom, how, why, when, where, or about whom. No other interrogatives are permissible. A maximum of three situation questions may be asked about the quote.
5. Must start at the beginning of a quotation or the beginning of a sentence within the quotation. When a Situation question comes from a quotation that runs for more than 2 verses, the beginning of the Situation question must start within the first 2 verses of the quotation.
6. The answer to the Situation Question must be in context.

**There shall be no less than two and no more than four Situation Questions in a quiz when covering narrative material (Gospels and Acts).**

3. A Multiple-Answer, Reference, Finish-The-Verse, Situation, or Quote Question is not preceded by a statement to that effect.
4. The question is ambiguous, tricky, or misleading.
5. The question might have two different or conflicting answers.
6. The question is multiple-choice.
7. The written question is not word for word as taken from the NIV.
8. The question is not preceded by the quizmaster calling, "Question."
9. The question is a Cross-Reference Question (meaning the question and answer or, in the case of a Multiple-Answer Question, both answers must come from the same verse or consecutive verses).
10. An Interrogative or Multiple-Answer Question does not contain a key word or complete key phrase within the first five words of the question.
11. A Finish-The-Verse or Finish-This Question begins with the same first five words as another Finish-The-Verse or Finish-This Question, or if a Situation Question begins with the same first five words as another Situation Question.
12. When a question is deemed invalid and thrown out, it must be replaced with the same type of question. (i.e. Interrogative replaced with Interrogative, CVRMA replaced with CVRMA, etc.)

## **CHALLENGES AND PROTESTS**

### I. CHALLENGING

A. If there is reason to believe the quizmaster or judges have ruled incorrectly on an answer or question, the team captain may challenge the decision subject to the following rules:

1. A challenge must be made immediately at the time of the quizmaster's decision and before the next question is called.
2. Only the team captain may challenge (co-captain if the captain has been removed).
3. The captain may not confer in any way with his/her coach or teammates before challenging. Such a conference will constitute a foul and the loss of the right to challenge.
4. Once a clarification on a ruling has been given all teams lose their right to challenge.
5. The judges' ruling on a challenge may not be challenged.
6. If the challenge is sustained, points or error points that were awarded for the initial ruling of the judge will be deducted. Points or error points which reflect the new ruling of the judge will be recorded. A new question of the same number will be given if the question is ruled illegal.
7. Any question, including toss-up and bonus, is open to challenge.
8. Ten points will be deducted from the challenging team's score on the second and each subsequent overruled challenge.
9. When a challenge is made, the quizmaster must give the captain(s) of the opposing team(s) an opportunity to speak to the challenge before making a ruling on the challenge.
10. A question may be challenged by the team captain anytime he/she feels that a violation of the rules has taken place. Some examples would be:
  - a. If incorrect information is given in the question or if a significant mispronunciation is made by the quizmaster.
  - b. If the question does not come from the Scripture that is the basis of competition.
  - c. If, in a Finish-The-Verse Question, the first five words of the verse are the same as the first five words of another verse that is a part of the Scripture being used as the basis of competition.
  - d. If the question is not word for word as it appears in the NIV.

## **II. PROTESTING**

- A. Any coach (none other) may place a quiz under protest.
  1. When the coach feels a decision made is in violation of the rules.
  2. It must be made before the next question is called.
  3. May not confer with anyone except his or her assistant coach.
- B. The quizmaster, officials, and coaches involved will attempt to come to an agreement. If no agreement is reached within 10 minutes, the meet director will arbitrate and determine the just solution.
- C. If a protest is launched after question number 20 is completed it must be done immediately after the ruling is announced and before the quizzers leave the platform.

## **II. ELIMINATION ROUND**

If there are 15 to 20 teams, after the opening round the top 6 teams should be placed in the championship bracket, the next 9 places (7 through 15) should quiz in the intermediate quizzes given below (XYZ) and the remaining teams should be dropped. If there are more than 24 teams, the top 6 should be placed in the championship bracket, teams 7-15 should quiz in the XYZ quizzes to determine places 7-15. Teams 16-24 will quiz in XXYYZZ intermediate quizzes given below to determine their placement. A Consolation final 9 bracket will be used for positions 10-15 (determined by XYZ quizzes) and places 16-18 determined by XXYYZZ quizzes. If you are in the XYZ quizzes, you cannot move below position 15, regardless of how low their XYZ quiz score was. Likewise, those in the XXYYZZ quizzes cannot move above position 16, regardless of how high their intermediate quiz scores were.

- 1. QUIZ X: Team Number7, Number12, Number15
- 2. QUIZ Y: Team Number8, Number11, Number14
- 3. QUIZ Z: Team Number9, Number10, Number13

  - 1. Head-to-head competition in previous quizzes.
  - 2. Total points scored in preliminaries.
  - 3. Least number of errors.

Points earned in these quizzes should be added to the points earned in the opening round by each team. The highest three teams, based on the point system above, are then placed in the above bracket. The next six teams are placed in the lower bracket.

- C. Elimination Round Brackets:  
Teams will be placed in the elimination round brackets according to their placement after the preliminary round. Several options for elimination round brackets follow.

### **III. CHAMPIONSHIP QUIZZES**

- B. If the same team wins the first two championship quizzes,
  - 1. And each of the other teams takes a second and a third, the final placement for second and third place will be determined by Clarification III. E (below).
  - 2. And another team takes two thirds, then the team with the two firsts takes first place, the team with the two seconds takes second place, and the team with the two thirds takes third place.
- C. If no team takes two firsts in the first two championship quizzes, then all three teams advance to the third championship quiz.
  - 1. If the winner of either the first or second quiz wins the third quiz, that team is the champion team. Second and third places will be determined by Clarification III. E.
  - 2. If the winner of either of the first two quizzes does not win the third quiz, then all three teams advance to a fourth quiz.
- D. If a fourth quiz is necessary, the winner of that quiz is the champion team. Second place will be given to the remaining team that has the most seconds in the four Championship Quizzes. If this is a tie then Clarification III. E. (below) will be applied.
- E. Clarification for second and third place:  
Second place will be determined as follows:
  - 1. The team that scored the most points in the Championship Quizzes; or if there is a tie,
